change lanes now! When a turn signal is activated, LaneFX™ moves the vehicle's power mirror outward to expose the blind spot to the driver. LaneFX's™ Patent Pending technology is 100% universal, installer-friendly and drives premium margins. See the opportunity that J.D. Power & Assoc.* calls: "The second-most requested new technology in 2005" at www.LaneFX.com or 866.4.LANEFX

NEVER CHANGE LANES WITHOUT IT.™

* J.D. Power ranked it 12 overall category of blind spot mitigation. LaneFX is a trademark of Dishware, Inc. Patent Pending. Copyright © 2004-2008 Dishware, Inc. All rights reserved.
